

Difference of Opinion

The Buckingham

What do you see when I walk through your door?
What do you think when you look at me?
Speakin' is hard when you don't use your eyes
Don't you be cross, don't you learn to despise

Why don't you smile when the sun's on your face?
Can it be the way you've been livin'?
My mind's on fire with the thoughts that you've been givin'
Come on, give in to the ways, the ways that I've been teachin'

There's a difference of opinion in my mind
There's a difference of opinion in your eyes
Things are gonna get worse, I'm sad to say
Think I'll grab the door and find my way

So if we meet again, I hope it's not the same
I'm tryin' to forget the sadness and the pain
The trip that we both took inspired by the rain
Won't you believe me when I say we're not the same?
