

## Let Go

## The Bunny the Bear

Why were you so invested when I spoke  
Could you taste the cancer in my soul

All while you danced  
The banter, the lies  
Let's cut to the chase  
You know all my lines

Let it go  
It screams to me, pleads with me  
"Stop trying"  
Let it go  
It screams to me, pleads with me  
"Start over"

Why were we so reluctant in the promises we spoke  
I watched it all unfold, as you said  
"This fire has dimmed down tonight  
I think it's time we let this go"

I remember your dance  
The banter, the lies  
Let's cut to the chase  
And say our goodbyes

Let it go  
It screams to me, pleads with me  
"Stop trying"  
Let it go  
It screams to me, pleads with me  
"Start over"  
Let it go  
It screams to me, pleads with me  
"Stop trying"  
Let it go

I'm falling apart, it's what I feel in my heart  
And void that fills my heart and telling me it's over  
We've crossed every line and there's no need to rewind  
This friction in my mind is screaming "take it slow"  
"Take it slow"

Take it, take me slowly  
Drag me lower, lower  
Drag me, drown me, break me  
Well, this was all a mistake

Let it go  
It screams to me, pleads with me  
"Stop trying"  
Let it go  
It screams to me, pleads with me  
"Start over"  
Let it go  
It screams to me, pleads with me  
"Stop trying"
