

Lust Touch Seed

The Bunny the Bear

Soft touch speak
(The kingdom built is crashing down)
Hold on to me
(The lawyers tower's on fire)
Lust touch seed
(The villagers are chasing ruins)
Let me breathe
(They sing a song to cure the water)

Every time I read your lines, well yea, a little contradicting at times,
But I don't want to believe
That I'm just a figment
Well I don't care for the consequence,
or how you spent your night pitching his tent...
(or exactly how you said his name), while i was on my way to you.

The salt in the sea doesn't change
In fact, you are the one whose to blame, for staying the same
For pulling your pants down each time you were sweating it out

Soft touch speak
(The kingdom built is crashing down)
Hold on to me
(The lawyers tower's on fire)
Lust touch seed
(The villagers are chasing ruins)
Let me breathe
(They sing a song to cure the water)
