

# I Ran Away

The Buttersongs

I ran away  
From my love today  
Little girl  
Why did you cry

She's with him  
He's no good for her  
Little girl  
My baby, bye

Woah oh oh oh  
Woah oh oh oh  
Little girl  
Cry baby cry

She left me  
She's too good for me  
Little girl  
My baby, bye

I love you  
And you love me  
Together we will see this through

Woah oh oh oh  
Woah oh oh oh  
Little girl  
My baby, bye

Woah oh oh oh  
Woah oh oh oh  
Little girl  
My baby, bye

Woah oh oh oh  
Woah oh oh oh
