

Bugler

The Byrds

G **Ami**
Back when Cattle Creek used to sing
C **G**
Its waters were sweet and its banks were green
Ami **D** **G**
And sunny days went on forever
G **Ami**
Me and ol' Bugler we went wild
C **G**
A blue tick hound and redneck child
Ami **D** **G**
We thought we were birds of a feather
G **Ami**
Ah the fish would bite, my how they'd fight
C **G**
We'd catch them possums in the pale moonlight
Ami **D** **G**
For Nola, just to please her
G **Ami**
Bugler's voice like Gabriel's horn
C **G**
Up in the cypress and down through the corn
Ami **D** **G**
Golden sounds, yes to treasure
G **Ami**
Bugler, Bugler, bless your hide
C **G**
Jesus gonna take you for a chariot ride
Ami **D** **G**
Say goodbye, say goodbye
G **Ami**
One day Nola, she brought the news, she said,
C **G**
I hear young Bugler's done paid his dues,
Ami **D** **G**
He's been hit down, yes on that highway
G **Ami**
Dry your eyes and stand up straight
C **G**
Bugler's got a place at the pearly gates
Ami **D** **G**
Say goodbye sugar, ah, say goodbye
G **Ami**
Bugler, Bugler, bless your hide
C **G**
Jesus gonna take you for a chariot ride
Ami **D** **G**
Say goodbye, say goodbye
