

Blue As The Ocean

The Cactus Blossoms

Blue as the ocean
Blue as the sea
That's my emotion
'Til you come back to me
Cry me a river
Settin' my soul free

I'll never find my peace of mind
That's how it has to be

Blue as the ocean
Blue as the sea

I'll never find my peace of mind
That's how it has to be

Blue as the ocean
Blue as the sea
