

Crackin' Cold Ones With The Boys

The Cadillac Three

We got ice? Check
We got coolers? Check
We got cases of cold
Domestic gold
Just waiting on the sun to set

Poppin' tops, crushing cans
Camo cuzzie in her hands
Circle up them jacked up toys
The buzz is just right
It's a Saturday night
Turn it up, let's make some noise

Crackin' cold ones with the boys
Crackin' cold ones with the boys

We got tunes? Check
We got girls? Check
So come on have another
We got Sunday to recover
And we ain't started yet

Oh poppin' tops, crushing cans
Camo cuzzie in her hands
Circle up them jacked up toys
The buzz is just right
It's a Saturday night
Turn it up, let's make some noise

Crackin' cold ones with the boys
Crackin' cold ones with the boys

Crackin' cold ones with the boys
Crackin' cold ones with the boys

Poppin' tops crushing cans
Camo cuzzie in her hands
Circle up them jacked up toys
The buzz is just right
It's a Saturday night
Turn it up, let's make some noise

Crackin' cold ones with the boys
Crackin' cold ones with the boys
Yeah, crackin' cold ones with the boys
Crackin' cold ones with the boys
