

Yeah, Friday (Friday), 5:05 PM
I'm clockin' out like Speed Racer
Headin' to the weekend
I'm gonna trade that John Deere (John Deere)
For my F-150
Gonna call up Jimmy, Jessie, Amy, and Britney
Y'all roll with me

Uh, I got a crispy like a fresh pack of Lay's potatoes
'Bout to paint this town up with some work week dinero
Ain't talkin' 'bout five, twenties, or two fifties
Tonight Benjamin buyin' that top shelf whiskey

Got a crispy, crispy

I feel like Janson might buy a boat
Or a Yeti 110, watch that cold beer float
Or take it down to Tootsies
Throw it in the tip jar
'Cause the band is a jammin'
They a workin' real hard

Uh, I got a crispy like a fresh pack of Lay's potatoes
'Bout to paint this town up with some work week dinero
Ain't talkin' 'bout five, twenties, or two fifties
Tonight Benjamin buyin' that top shelf whiskey

Got a crispy, crispy

I got a crispy like a fresh pack of Lay's potatoes
'Bout to paint this town up with some work week dinero
Ain't talkin' 'bout five, twenties, or two fifties
Tonight Benjamin buyin' that top shelf whiskey

Got a crispy, crispy
