The Cadillac Three

Well girl you put the sex in sexy
And girl you put the cray in crazy
Well girl you put the swing in swinging
And girl you put the bang in banging
1,2,3,

You put your heels on high, you put the skirt on short
You put every toe on the ground,
When you put your boots on the dance floor
You put a dollar in the tip jar, you put a whiskey in my hand
You put the live in livin' put the love in lovin'
Put the hot in hot damn,
You put the hot in hot damn

Well girl you put the wo in woman
And girl you put the burn in burnin'
Well girl you put the fame in famous,
And girl you put the shame in shame on her
1,2,3

You put your heels on high, you put the skirt on short
You put every toe on the ground,
When you put your boots on the dance floor
You put a dollar in the tip jar, you put a whiskey in my hand
You put the live in livin' put the love in lovin'
Put the hot in hot damn,
You put the hot in hot damn

You put the bad in bad, you put the swag in swag
You put the jag in jag, you put the hag in hag
