

Sweet Southern Spirit

The Cadillac Three

Yeah, is it in them cut-offs? (Cut-offs)
Is it the whiskey on her lips?
Is the F-150 with a lift kit?
Is it the way she moves them hips? (Shake it, baby)
To Fishin' in the Dark
And Sweet Home Alabama
She got my heart
I wanna take her home and show my mama

When I'm with her I'm a watchin' Lynyrd Skynyrd front and center
Sayin' hell yeah, shake that thang
Make a fella wanna buy that pawn shop ring
It's in her touch (It's in her touch), it's in her kiss (It's in her kiss)
She on a country boy bucket list
She can cold beer it, John Deere it
Freebird every lyric
In her "hey, y'all", you can hear it
She got that sweet Southern spirit

Sweet like molasses, sweet like tea
Sweet like honeysuckle, she's sweet on me

Daddy must've been a fisherman
Mama must a been a cook
'Cause that lady and gentleman
Made a girl that made a bass a put a lip on the hook

When I'm with her I'm a watchin' Lynyrd Skynyrd front and center
Sayin' hell yeah, shake that thang
Make a fella wanna buy that pawn shop ring
It's in her touch (It's in her touch), it's in her kiss (It's in her kiss)
She on a country boy bucket list
She can cold beer it, John Deere it
Freebird every lyric
In her "hey, y'all", you can hear it
She got that sweet Southern spirit

Sweet like molasses, sweet like tea
Sweet like honeysuckle, she's sweet on me

When I'm with her I'm a watchin' Lynyrd Skynyrd front and center

She on a country boy bucket list
She can cold beer it, John Deere it
Freebird every lyric
In her "hey, y'all", you can hear it
She got that sweet Southern spirit

It's all about the South
