

# Turn The Radio On

The Cadillac Three

Dollar bills, need 'em  
Kids, gotta feed 'em  
Fans, greet 'em  
Horses, lead 'em  
Backs, scratch 'em  
No reaction  
Just matter of fact-in'  
Songs need traction

It's a long dirt road to the top  
If you don't turn the radio on  
Yeah, it's a long dirt road to the top  
If you don't turn the radio on  
You can't turn it up if it ain't on  
So DJ play my fuckin' song

House, can't buy it  
Top shelf, can't try it  
Prevost, can't ride it  
I ain't gonna lie

It's a long dirt road to the top  
If you don't turn the radio on  
Yeah, it's a long dirt road to the top  
If you don't turn the radio on  
You can't turn it up if it ain't on  
So DJ play my fuckin' song

Long dirt road to the top  
If you don't turn the radio on  
Long dirt road to the top  
If you don't turn the radio on

It's a long dirt road to the top  
If you don't turn the radio on  
Yeah, it's a long dirt road to the top  
If you don't turn the radio on  
You can't turn it up if it ain't on  
So DJ play my fuckin' song

Yeah, it's 4 A.M. um, that was The Cadillac Three with "Play My Fuckin' Song"  
Geez, geez, Tom, probably not gonna hear that one again  
Yeah, no sir-ee, Bob, you got that, Jesus  
I mean, who do these fucking guys think they are?  
Oh shit, did I just hear them over there? (Relax, relax)
