

White Lightning

The Cadillac Three

She stole my heart
Faster than a heat seeking missile on a mission
Faster than a bass to a hook when daddy's fishing
Faster than a walnut rolls off a hen house
Faster than a whiskey shot goes down down south

Ooh, I saw white lightning
Ooh, I saw white lightning

Faster than McQueen running them red lights
Faster than the duke boys jumping that hillside
Faster than Elvis could shake, rattle, roll
Faster than a skirt flying up on Monroe, I said

Ooh, I saw white lightning
Ooh, I saw white lightning

Faster than number three breaking every record
Faster than a tree dies in the desert
Faster than a bug splattered on my windshield
Faster than you die when you take too many pills

Ooh, I saw white lightning
Ooh, I saw white lightning

White lightning, striking in the heart of VA
White lightning, oh oh yeah

Ooh, I saw white lightning
Ooh, I saw white lightning
Ooh, I saw white lightning
Ooh, I saw white lightning
