

Only Love

The Call

I've come undone
Makes me wild
Makes me run
There's only love that will endure
Only love you trust for sure
Only love, only love

Fall on my faith
Pray for life
Pray for peace
There's only love that will survive
Only love that makes you wise
Only love, only love

Love look what you've done to me
Oh love look how you cared for me
Cared for me
Love only love

Love look what you've done to me
Oh love look how you cared for me
Cared for me

Down on my knees
Where is grace
Where is peace

There's only love that will survive
Only love can make you wise
Only love, only love
There's only love that will endure
Only love you trust for sure
Only love
There's only love that will survive
Only love that makes you wise
Only love, only love, Only love, only love
