Well they blew the horns And the walls came down They'd all been warned And the walls came down

They stood there laughing They're not laughing anymore The walls came down

Sanctuary fades, congregation splits
Nightly military raids, the congregation splits
It's a song of assassins, ringin' in your ears
We got terrorists thinking, playing on fears
Oh

Well they blew the horns And the walls came down They'd all been warned But the walls came down

I don't think there are any Russians And there ain't no Yanks Just corporate criminals Playin' with tanks

Die, die, die, die
Yes, come on
Die, die
Come on, come on, come on
Die, die, wake up
Wake up
Die, die
Go, yeah
Die, die, die, die, die, die
Come on, come on, come on
Die, die
