

What a Ride

The Call

You're a joy to my ears
A treat for my eyes
You bring me to tears
You bring me to life
You're peace to my mind
You're sight to my eyes
Rush to my arms
You touch me inside

Oh, what a ride
Oh, what a rush
Goes to my head
It's never too much
Oh, what a world
Oh, what a ride
Being with you
Being inside

You're reading my mind
You're reading my lips
You're life to my hands
You cannot resist
I rise to your voice
Filled with ideas
Break from the crowd
And everything clears

Oh, what a ride
Oh, what a rush
Goes to my head
It's never too much
Oh, what a world
Oh, what a ride
Being with you
Being inside
Ay ay ay ay

See that one in the corner
Yessir
Ohhhh

You're a joy to my ears
You're a treat for the eyes
You bring me to tears
You bring me to life
You're peace to my mind
You're sight for the eyes
Come rush to my arms
Touch me inside

Oh, what a ride
Oh, what a rush
It goes to my head
It's never too much
Oh, what a world
Oh, what a ride
Being with you

Being inside, inside

Oh, what a ride

Oh, what a rush

It goes to my head

It's never too much

Oh, what a world

Oh, what a ride

Being with you

Being inside, inside
