

Blackberry DeLorean

The Callous Daoboyz

Say you are
I guess you are the best one
The ways to die I listed are at the top of your head
But I couldn't stop myself
And the fast fix is imminent
Can I borrow your heart, and toss it wall to wall?

It's not like a Ouija board
It doesn't just happen

Behind this no man's land, we will report
And you can let them believe what they do isn't worthless

You wanna snuff the shackles out?
You wanna have them be framed? And taken pity on
Manifesting your 10,000 hours?

Say you are (say you are)
Say you are (say you are)

These words couldn't be more torn
These branches couldn't be more important
Whatever you could imagine in poor taste
Is a new favorite game of the famous poor house, so
Hike up your skirt, spill champagne on the coffin
Get off her socks, spill red wine in the trash
Through kick-snare rhythms
We will dance around the topic and never really heal

Stay out of Georgia
Stay out of Georgia
Stay out of Georgia
Stay out of Georgia
