

# Hallelujah

The Canadian Tenors

I've heard that there is a secret chord  
That David played and it pleased the Lord  
But you don't really care for music do ya  
It goes like this the 4th the 5th minor fall the major lift  
The baffled king composing hallelujah

Hallelujah

Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moon light over threw ya  
She tied you to a kitchen chair  
She broke your throne she cut your hair  
And from your lips she drew the hallelujah

Hallelujah

Baby I've been here before  
I know this room and I've walked this floor  
I used to live alone before I knew ya  
Seen your flag on the marble arch and  
Love is not a victory march  
Its cold and it's a broken hallelujah

Hallelujah

Did my best but it wasn't much  
Couldn't feel so I try to touch  
I told the truth I didn't come to fool ya  
Even though it all went wrong  
Stand before the lord of song  
With nothing on my tongue but hallelujah

Hallelujah
