Higher

The Cardigans

I'm glad you came around today I sure need a good companion I'm losing it but you're the same without you I move at random Abusing you 'cause you're a friend and there's no Jesus here to explain

And take me higher come take me higher come take me high above our time Take me higher oh take me higher come take me high above our time We'll make it out of here: oh yeah

You justify, you're not afraid and I won't feel like this forever You wait with me, because you know there's so much more than this before we go

To take us higher come take us higher come take us high above our time Take us higher oh take us higher come take us high above our time We'll make it out of here come take us out of here take us anywhere: oh yeah
