Dear, I fear we're facing a problem You love me no longer, I know And maybe there is nothing That I can do to make you do Mama tells me I shouldn't bother That I ought to stick to another man A man that surely deserves me But I think you do!

So I cry, I pray and I beg

Love me love me Say that you love me Fool me fool me Go on and fool me Love me love me Pretend that you love me Leave me leave me Just say that you need me Love me love me Say that you love me Leave me leave me Just say that you need me I can't care 'bout anything but you

Lately I have desperately pondered, Spent my nights awake and I wonder What I could have done in another way To make you stay Reason will not lead to solution I will end up lost in confusion I don't care if you really care As long as you don't go

So I cry, I pray, and I beg

Love me, love me Say that you love me Fool me, fool me Go on and fool me Love me, love me Pretend that you love me Leave me, leave me Just say that you need me So I cry, and I pray for you to Love me, love me Say that you love $\ensuremath{\mathsf{me}}$ Leave me, leave me Just say that you need me I can't care 'bout anything but you

Anything but you

Love me, love me (Say that you love me) Fool me, fool me (Go on and fool me) Love me, love me (I know that you need me) I can t care bout anything but you
