

# Hello Again

The Cars

You might have forgot  
the journey ends  
You tied your knots  
and you made your friends  
You left the scene  
without a trace  
One hand on the ground  
one hand in space

Oh you passed on mercy  
You tried the rest  
You gave your body  
You gave your best  
Stare at the green door  
Livin' in the sky  
You don't wanna know it  
You just want to fly

(hello) hello  
(hello again)  
Uh-oo, mm-mm yeah  
(hello) hello  
(hello again)  
Hello, that's right

I know (I know you're a dreamer)  
Mm-mm, who's under the gun  
I know (I know you're a dreamer)  
who's only just begun

Hello (hello)  
(hello again)  
Mm-mm, I say  
(hello) hello  
(hello again)  
Yeah

Oh when there's nothin'  
nothin' left to lose  
You leave it all  
to fade to blue, yeah

(you want to feel) electric  
(you want to feel) loose  
(you want to be) eclectic  
You want to call a truce  
(look [echo]) at the profile  
Staring at the flame  
(wait [echo]) for the sunshine  
Standing in the rain

(hello) uh oh  
(hello again)  
I said hello (hello) hello  
(hello again) hello again  
I say hello (hello) ello  
(hello again) hello again

(hello) uh oh  
(hello again)  
Ooh-ooh  
(hello)  
Mm-mm hello  
(hello)  
Uh mm, I said  
hello-lo-lo-lo-lo  
(hello)  
(hello)
