

Looking for Love

The Cars

Come on lover
make the switch
pull the cover
make a wish
find out later
it's all right
keep the faith
kill the light

You can't stop
but you can't go on
you can't stop
but it won't be long

Here she comes
looking for love

Come on lover
do it fast
take advantage
while love lasts
limited edition
you're the one
walking the edge
don't you run
