

## Hill Lone & Grey

The Carter Family

On a hill lone and gray in a land far away  
In a country beyond the blue sea  
Where beneath that far sky went a man forth to die  
For the world and for you and for me

Oh, it bows down my heart and the teardrops do start  
When in memory that great hill I see (hill I see)  
It was there on his side, Jesus suffered, yes, he died  
To redeem a poor sinner like me

Hark, I hear the dull blow of the hammer swung low  
They are nailing my Lord to the tree  
With the cross he upraised while the multitude gazed  
He ascended that hill lone and gray

Oh, it bows down my heart and the teardrops do start  
When in memory that great hill I see (hill I see)  
It was there on his side, Jesus suffered, yes, he died  
To redeem a poor sinner like me

Shout aloud then, my soul, let the glad tidings roll  
From the land to the end of the sea (of the sea)  
Where beneath that dark sky went a man forth to die  
For the world and for you and for me
