

## Second Chance

The Cascades

Oh, oh, oh, oh, oh

Why, why (oh, oh)  
Why did I treat you bad, and  
Why, why (oh, oh)  
Why did I make you mad, well  
I'm so lonely  
Since you left me  
I'm walking in a trance  
Oh, please, give me a second chance

I know (oh, oh)  
I know I made you blue  
But, I'll try  
To make it up to you  
Well, though I hurt you  
Really hurt you  
Don't find a new romance  
Oh, please, (oh, oh)  
Give me a second chance

A second chance  
A second chance with you  
A second chance to prove  
How much I still love you  
Yes, I do

Well, I know (oh, oh)  
I know I wasn't true  
But I'll try (oh, oh)  
To make it up to you  
Well, if you let me  
Let me love you  
We'll find a new romance  
So, please (oh, oh, oh, oh)  
Give me a second chance (oh, oh, oh oh)  
Give me a second chance (oh, oh, oh oh)  
Give me a second chance (oh, oh, oh oh)  
...
