

You opened your heart to me at Christmas time
Revealed your secrets, made you mine
You touched my heart, you touched my soul
Made me pure, made me whole
You gave me wine, you gave me bread
Took all my fears, gave me hope instead
You are my dreams, you are my prayers
Sophia
Sophia
And it's Christmas every day in the New Aeon
Christmas in our hearts, Christmas in our hearts
Cold hands, warm hearts
We will never be apart
Sophia
Sophia
And in our Christmas we will worship life
We will make new life
Sophia
I will be with you, I will be with you
This Christmas, this Christmas
And it's Christmas every day in the New Aeon
Christmas in our hearts, Christmas in our hearts
Warm hearts, cold hands
Touch me and understand
It's Christmas - every day
