

# Cowboy Kind Of Love

The Castellows

I wanna feel the honeysuckle wind blowing through my hair  
I wanna ride on a dream down a road that leads somewhere  
And I don't need red roses  
It's wildflowers I'm dreaming of  
I want a cowboy kind of love

I wanna know in my soul like I know that the grass grows green  
I wanna kiss that sends me soaring where the red birds sing  
Yeah. Like a willow in a storm, I wanna get caught up  
I want a cowboy kind of love

A cowboy kind of love  
Like wild horses running, running reckless  
Boy, don't let this  
Feeling get away  
I want everything  
And a little bit of nothing  
I want something  
Just as sweet as it is tough  
A cowboy kind of love

I'm not the kind of girl to come on strong  
You gotta take me when you find me or I'll move on  
If you can ride beside me, we'll set off in the sun  
I want a cowboy kind of love

A cowboy kind of love  
Like wild horses running, running reckless  
Boy, don't let this  
Feeling get away  
I want everything  
And a little bit of nothing  
I want something  
Just as sweet as it is tough  
A cowboy kind of love

You wanna take my hand, but are you strong enough?  
I want a cowboy kind of love

A cowboy kind of love  
Like wild horses running, running reckless  
Boy, don't let this  
Feeling get away  
I want everything  
And a little bit of nothing  
I want something  
Just as sweet as it is tough  
A cowboy kind of love
