

# Always Walk Alone

## The Casualties

I've never been lucky, in this whole life  
The stars are always shining backwards to me  
If I was reincarnated long after death  
I will inherit suffering & pain

Ohhh YOU ALWAYS WALK ALONE Ohhh  
Ohhh YOU ALWAYS WALK ALONE Ohhh

This is what I want to drown with liquor  
to forget the treachery of a girl  
While I'm still living, won't stop drinking  
I will find the happiness in this world

Ohhh YOU ALWAYS WALK ALONE Ohhh  
Ohhh YOU ALWAYS WALK ALONE Ohhh

NO they don't really care  
They don't really care  
They don't really care  
NO they don't

I will write my stories  
Wondering around the world  
The deep and painful feeling  
a sad and lonely life

Hey, nobody loves me  
Alone with my kind of thinking  
With all this suffering  
anyone will die

NO they don't really care  
They don't really care  
They don't really care  
NO they don't

NO they don't really care  
They don't really care  
They don't really care  
NO they don't

I came to this world just to feel pain  
If a girl kisses me it's just to walk away  
I keep on drinking, life made me this way  
Can't find the happiness  
Broken heart will be my death

NO NOBODY CARES!  
NO they don't really care  
They don't really care  
They don't really care  
NO they don't

NO NOBODY CARES!  
NO they don't really care  
They don't really care  
They don't really care

NO they don't
