Only Light

The Cat Empire

All along the street They're holding signs that say That I am lost And that I do not know the way I asked the rock Sitting in a shade of grey I asked the rock He didn't have a thing to say

But you are the only light I see You are the only light I need When everybody else is sleeping You come along and help me breathe

When I was a stone No one knew that I was there I'd sing my song and No one ever really cared I went to the mountain Face all covered in tears I wept but Mountain didn't seem to hear

So you are the only light I see You are the only light I need When everybody else is sleeping You come along and help me breathe

You are the only light I see (2x)

I love you 'Till the mountain starts to cry I love you If I don't know the reason why I love you Until I do not know my name I ask you Wouldn't you have done the same

Oh you are the only light I see You are the only light I need When everybody else is sleeping You come along and help me breathe

You are the only light I see You are the only light I need When everybody else is sleeping You bring the magic over me
