

Blockhead

The Cataracs

Bounce in the club so the hoes started rockin
Toasted in the club and I'm lookin for a blockhead

Toasted in the club and I'm lookin for a blockhead(3x)
Hoes started rockin
Toasted in the club and I'm lookin for a blockhead(3x)
Hoes started rockin'

Kids rewind when I spit a rhyme

it's serinol

back in the nick of time

it's a miracle

faster than Nick Lechay

Station TV never to been seen again

but ay wait

I'd rather not speak on hand cause to be frank I'm really not keen on that
but Imma say I would like to fuck your bitch for the very least treat you an
d suck your tits

if I may, hold on a second I'm getting carried away

so let me direct your attention to the bass where I go to ,very minimum to t
he pathogen in the minimum and did I mention I'm from the bay

ay ay

Bitch what you ride with can you dip do you mind?

I'm on the block there looking for a blockhead

can I hit one time

Monday night just trick' o' treatin' at track
me plus the whole team stay running through the backseat
you don't have to ask me Imma just give it to ya
feel the beat down your spine hit the ground, yes it's fine
like a blockhead just give em the blockhead
always keep the time for me, so I call her clockhead
5minutes, 30 minutes, 60 minutes
rockin'

super high in the sky so you can call me Hawkman

drop em off like drops, no socks knockin'

hit the spot, everybody's hot boxin'

that fineral essence, taste like blueberry

plus it always keeps me guessing cause I always want more and I always need
em

Blockheads get hungry so you know you gotta feed em

never eat em never believe em just be you

(Verse 3)

If you gotta be calm Imma rob it
