

Ooo Yea

The Cataracs

Say she want it, ooooyea
... she want it, ooooooyyeaa
... she want it, ooooooyyeaa
She say oooyea

Where have you been, it's not the same
They don't know me, only my name
Know it's been so long,
But I've been drinking all night and I'm gone, gone, gone
I need your skin, I want your face
To feel you breathe, to hear you say
I know it's wrong, I know it's wrong, wrong, wrong
But I got the prescription that you want, want, want

Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea

I've been ... without a raise
I can't sleep any escape
From you is like a song
I could play with ya, play with ya, all night long
I know you ... it's not too late
To sink your teeth, what do you say?
I know it's wrong, I know it's wrong, wrong, wrong
But I got the prescription that you want, want, want

Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea

Say she want it, ooooyea
... she want it, ooooooyyeaa
... she want it, ooooooyyeaa
She say oooyea

Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea
