

Oooyea

The Cataracs

Say she want it, ooooyea
In her head she she want it, ooooooyyeaa
In the bed she want it, ooooooyyeaa
She say oooyea (2x)

Where have you been, it's not the same
They don't know me, only my name
Know it's been so long,
But I've been drinking all night and I'm gone, gone, gone
I need your skin, I want your face
To feel you breathe, to hear you say
I know it's wrong, I know it's wrong, wrong, wrong
But I got the prescription that you want, want, want

Oooyea, oooyea, oooyea, oooyea
Oooyea yea, oooyea yea, oooyea yea, oooyea yea

I can win without a race
I can't see any escape
From you is like a song
I could play with ya, play with ya, all night long
Are you in its not too late
To sink your teeth, what do you say?
I know it's wrong, I know it's wrong, wrong, wrong
But I got the prescription that you want, want, want

Oooyea, oooyea, oooyea, oooyea
Oooyea yea, oooyea yea, oooyea yea, oooyea yea

Say she want it, ooooyea
In her head she want it, ooooooyyeaa
In the bed she want it, ooooooyyeaa
She say oooyea yea (2x)

Its the Cataracs

Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea
Oooyea, oooyea, oooyea, oooyea
