Say she want it, ooooyea In her head she she want it, oooooyyeaa In the bed she want it, oooooyyeaa She say oooyea (2x)

Where have you been, it's not the same They don't know me, only my name Know it's been so long, But I've been drinking all night and I'm gone, gone, gone I need your skin, I want your face To feel you breathe, to hear you say I know it's wrong, I know it's wrong, wrong, wrong But I got the prescription that you want, want, want

Oooyea, oooyea, oooyea, oooyea Oooyea yea, oooyea yea, oooyea yea

I can win without a race I can't see any escape From you is like a song I could play with ya, play with ya, all night long Are you in its not too late To sink your teeth, what do you say? I know it's wrong, I know it's wrong, wrong, wrong But I got the prescription that you want, want, want
