

## Roll the dice remix

The Cataracs

Trust me, trust me  
I'll give you one night just to love me  
Have your man say "Fuck me"  
Cause I beat that pussy up ugly  
We gamblin'  
I wanna peel you like a mandarin  
Drop all the shit I'm handlin'  
And fuck you like a mandolin  
I'm on a roll  
I'm out here dope as fuck  
Stuck but I'm on the go  
We should ..., girl  
Flip that shit 'till we're on the floor  
Come take that chance  
Come take that chance

Roll the dice!  
Roll that!  
Roll that!  
Roll that!  
Roll that!  
Roll the dice!

I bet it to the gambling, hey  
Blow on my dice, hey  
Like pocket aces  
We could be a pair in paradise  
Lost in the ambience, hey  
With strobing lights, hey  
Well I know we only live once but that's enough if we do it right  
Came too far to pop a Light  
Pop that 'tron, pop that ...  
Got a stable at my table  
Pop that rubber, it's 'bout time  
Push your chips over that line, girl  
Come take that risk  
What is this life if we ain't livin it?

Roll the dice!  
Roll that!  
Roll that!  
Roll that!  
Roll that!  
Roll the dice!
