

Be My Day

The Cats

Ah
rock me from the bay of Mexico
I row me to the shores of Montego bay.
I met a lady
please let me stay.
Here in your warm brown arms

Till I melt away.

Be my day
honey be my night.
If I drift away
honey be my light.
Shine on
let your light shine on.
And I will sail on home.
Shine on
let your light shine on

And I will sail on home.

Sing a la la la

And I sing hey

Yeah
yeah
yeah
yeah
yeah
yeah

And I will sail on home

Sing a la la la

And I sing hey

Yeah
yeah
yeah
yeah
yeah
yeah.
