

Call Me

The Cats

Call me, call me ev`ryday
Even when you`ve got nothing much to say
Good news, bad news, I don`t mind at all
As long as I hear the sound of
Your voice, your call

I was wrong the other day
I couldn`t find the words to say
But oh, I love you so
I could feel the tears inside
I didn`t mean to hurt your pride
And oh, I miss you so

Call me, call me ev`ryday
Even when you`ve got nothing much to say
Good news, bad news, I don`t mind at all
As long as I hear the sound of
Your voice, your call

Ev`ry hour you`re away
I`m a lonely soul I say
That pride comes before the fall
How I long to clear my mind
To say the words I couldn`t find
Oh, I, I want you to call

Call me, call me ev`ryday
Even when you`ve got nothing much
To say how I wish that I could find
A way to clear my troubled mind
But oh, there I go again

Pretending you are here by me
Lost in dreams and fantasy
But oh, it`s all in vain
