

## Darling Oh Darling

The Cats

darling oh darling  
brown eyes, sparkling  
when you smile the way you do  
that`s when I know how much I love you  
darling oh darling  
dark hair, shining  
through the yellow haze at dawn  
I see you, you turn me on  
oh darling, my darling

you are such a wonderful, good-looking woman  
an angel from heaven up above  
you are such a wonderful, good-looking woman  
you give me the reason to love

oh darling oh darling  
it`s just the way you are, charming  
can I walk you home today  
don`t turn your head, don`t walk away  
now darling oh darling

you are such a wonderful, good-looking woman  
an angel from heaven up above  
you are such a wonderful, good-looking woman  
you`re my only reason for love  
oh oh darling my darling
