

Goodbye My Love

The Cats

Goodbye my love, goodbye my love
Though I love you thruly
It was ment to be
That I do know love
Goodbye my love Goodbye

Solong my love
Be strong my love
You got nothing wrong
This love can't go on
So take care my love
Goodbye my love, goodbye

I know
That you do love me at all
And rules can maybe see
And I know
I know what you mean love
But I can go on
Share with you share with you

Goodbye my love
Don't cry my love
I love you sencerly
It just had to be
It hurt me so shy
Don't say goodbye
Goodbye my love, goodbye
Goodbye, goodbye
