

I Don't Want To Be Hurt

The Cats

Oh Na Na Na Na Na Na
People People People Try To Turn You Against Me
And I Got No No No No No No Place To Go Now
If You Leave Me I Can't Take It
I Don't Want To Be Hurt
I Don't Want To Be Hurt

I Know I Know I Know That I'm Not Heard Babe
I've Got A Whole Lot To Answer For Now
We Could Solve Ev'ry Little Problem Honey
I'd Even Give You All Of My Money
And I Don't Want To Be Hurt
I Don't Want To Be Hurt

Lord Don't Let Me Be Hurt No More
I Can't Stand The Pain No More
Oh I'm So Weak And Numb Babe
I Feel So Tired Without You Baby
Without You Baby, Without You Baby
Without You Baby, No No No No
