

I'll Find My Way Back To You

The Cats

Standing in your doorway, grounded on the floor
I felt like your sunset left my shore
Blaming me is not your way, we always got along
Now I know that somehow we went wrong

Believe me when I'm saying, yeah
I know I'll find my way back to you
I've been deaf and dumb and blind to you

But it ain't right to break up
Give me time to make up for my yesterdays
One more chance is all I ask of you

Give it a try, yeah, give it a try
I never meant to cause you all the pain
I will change my way, but gimme time I pray
Give me time to make up for the past

Believe me when I'm saying, yeah
I know I'll find my way back to you
I've been deaf and dumb and blind to you

But it ain't right to break up
Give me time to make up for my yesterdays
One more chance is all I ask of you
Give it a try baby, won't you give it a try?

I never meant to cause you all the pain
I will change my way, but gimme time I pray
I will change my way, but gimme time I pray
I will change my way, but gimme time I pray
