

Lights Of Magdala

The Cats

Oh, the lights of Magdala flicker Dimly on the shore Holy sailo
r sailing on the sea Patiently waiting she walked quietly To th
e door Another lonely night in Galilee
Through the streets of Jerusalem You followed him once more Hol
y sailor's come home from the sea Someone somewhere's calling h
im To a golden distant shore Far from the lonely nights in Gali
lee

Chorus: Magdalene, don't wrap your dreams in sorrow Save them f
or tomorrow if it comes When we'll meet within the circle Round
the sun Oh, if heaven were a lady don't you Know you'd been th
e one
