

Sure He's A Cat

The Cats

Sure he`s a cat
Nobody is gonna argue with that
Sure he`s a creamin
Tall walkin feminin dreamin`
What have I got to compensate
For a looker of a man like that
I`ve got love for you baby
A lovin` like you wouldn`t believe

Sure he`ll go far
Looking like a moviestar
And I understand
What makes you wanna hold his hand
But you gonna find when the kissing starts
That the boys ain`t got a light on me
I`ve got love for you baby
A lovin` like you wouldn`t believe

He is such a pretty boy,
of some fine manner, bright and joy,
But have you noticed the way he walks,
He wiggles and he giggles,
when he talks.

Ohh, yeah but
Sure he`s a cat
Noboby`s gonna argue with that
Sure he`s a creamin`
a tall like a feminin dreaming
But if you wanna find a love that`s good
You better take another look at me
I`ve got love for you baby
A lovin` that you wouldn`t believe

Sure he`s a cat
Noboby`s gonna argue with that
Sure he`s a creamin`
a tall like a feminin dreaming
Sure he`s a cat
Noboby`s gonna (Fade)
