

The End Of The Show

The Cats

I like to thank you, yes I do
I've got to face the truth,
You done the best you could to please me
I enjoyed it quit a bit, but I really must admit,
That it could have been better al the time,

Yes you've been acting like a star, a great one yes you
are,
I'll be the last one to deny, I could have know it long
ago,
Cause I've watch you're pretty shows,
I've seen you played you're parts so well,

Well this must be the end of games we used to play,
We better part en say goodbye,
This must be the end of the show,
I hate to see you go
But it's over now

I could have know it long ago,
Cause I've watch you're pretty shows
I've seen you played you're parts so when,

Well this must be the end of games we used to play,
We better part en say goodbye,
This must be the end of the show,
I hate to see you go
But it's over now

Yeah, but it's over now
But it's over now
Yeah, but it's over now
But it's over now
