

Vive l'amour

The Cats

The French have a simple way Of chasing the blues away Baby it's
s vive l'amour When things ain't gonna right They work it out a
t night Baby it's vive l'amour

If you need a translation Love is the same as l'amour When it's
preceded by vive Baby it means so much more So vive l'amour Vi
ve l'amour Vive l'amour Vive l'amour Vive l'amour

Let me feel your lips on mine And we'll make the love to shine
Brighter then ever before Let me love you all the way And you k
now why a frenchman say

If you need a translation Love is the same as l'amour When it's
preceded by vive Baby it means so much more So vive l'amour Vi
ve l'amour Vive l'amour Vive l'amour Vive l'amour
