

Why Baby Why

The Cats

Love, You Think Would Last
Can Run Away, Become The Past
It Can Be Like The Setting Sun
That Fades Away When The Day Is Done

Why Baby Why
Did You Take My Love And Loose It
Why Baby Why
Why Did You Ever Choose It
Why Did You Make Me Cry
The Day You Turned Away
I Never Thought You'd Say Goodbye

Now, What Can I Do
To Find A Life, I Shared With You
You Said To Me, When We Dare
We'll Never Part, I Want Your Care

Why Baby Why
Did You Take My Love And Loose It
Why Baby Why
Why Did You Ever Choose It
Why Did You Make Me Cry
The Day You Turned Away
I Never Thought You'd Say Goodbye

Why Did You Make Me Cry
The Day You Turned Away
