

You're The Girl For Me

The Cats

Well, I may not be good looking, maybe I'm not a rich man
I want you to do my cooking, darling, don't you understand?
'Cause I gotta whole lotta lovin' inside this heart of mine
And I need your company, 'cause you're the girl for me

Well, I may not have the money to buy you diamonds and pearls
I want you to be my honey, gonna shout it all around the world
'Cause I gotta whole lotta lovin' inside this heart of mine
And I need your company, 'cause you're the girl for me

Deep down inside this heart of mine
I'm gonna love you, hug you, kiss you to make you feel so fine
I know it's time for us to settle down
'Cause, pretty baby, I don't mean maybe, I always want you around

You think I'm just a liar, maybe just a fool
Come on and satisfy my desire, darling, don't you play it cool
'Cause I gotta whole lotta lovin' inside this heart of mine
And I need your company, 'cause you're the girl for me

Deep down inside this heart of mine
I'm gonna love you, hug you, kiss you to make you feel so fine
I know it's time for us to settle down
'Cause, pretty baby, I don't mean maybe, I always want you around

'Cause I gotta whole lotta lovin' inside this heart of mine
And I need your company 'cause you're the girl for me
'Cause you're the girl for me
Yes, I need your company, 'cause you're the girl for me

The only girl for me, 'cause you're the girl for me
The only girl for me, 'cause you're the girl for me
The only girl for me, 'cause you're the girl for me
