

Hold On

The Chain Gang of 1974

The fear inside is tearing up my outer skin
I try to hide because I feel it's giving it

Whether or not I believe her I know
I'll try Whether or not I believe her I know...

Your love is all I have to hold onto, to hold onto
Your love is all I have to hold onto, to hold onto

It's obvious that I'm crawling on my knee's
The cardinal sins that you take from me

Whether or not I believe her I know
I'll try Whether or not I believe her I know...

Your love is all I have to hold onto, to hold onto
Your love is all I have to hold onto, to hold onto
