

Temptation

The Chain Gang of 1974

On a ledge appear with me
Heavy lust with love beneath
Endless calling, perpetual stalling just to conceal
Endless falling I wish I was patient, I wish that you'd leave

We ain't got no place to go
We ain't go no place
We ain't got no place to go
I can see it in your face
We ain't got no place to go
We ain't got no place
We ain't got no place to go
To get away, to get away from this temptation-temptation
Temptation-temptation

What is faith without the hope?
Will he know I've seen your ghosts?
Lips colliding don't turn and hide it give me what's real
Constant chasing the guilt we are facing just to believe

We ain't got no place to go
We ain't go no place
We ain't got no place to go
I can see it in your face
We ain't got no place to go
We ain't got no place
We ain't got no place to go
To get away, to get away from this temptation-temptation

Temptation-temptation
Temptation-temptation
Temptation-temptation

We ain't got no place to go
To get away from what we want and what we know
We ain't got no place to go
We ain't got no place
We ain't got no place to go
To get away, to get away from this temptation-temptation
We ain't got no place to go
Temptation-temptation
We ain't got no place
Temptation-temptation(We ain't got no place to go)
We ain't got no place to go
Temptation-temptation(We ain't got no place to go)
We ain't got no place
