The Chainsmokers

I know water, that's  
Thicker than blood, that's  
Deeper than love with my friends  
People come, and  
Some people go, and  
Some people ride to the end

When I am blind  
In my mind  
I swear they'd be my rescue  
My lifeline  
I don't know what I'd do if I  
If I'd survive  
My brothers and my sisters  
In my life  
Yeah

I know some people that would die for me  
We ride together, they're my family  
When I get up they gon' be out with me  
I'll say forever my family  
Family  
I'll say forever my family  
Family  
I'll say forever my family

Stolen dreams took our  
Our childish days, still  
Ain't nothing changed now we're grown

We're still young, still got  
Our mindless ways, in a  
Timeless phase, kicking stones

When I am blind  
In my mind  
I swear they'd be my rescue  
My lifeline  
I don't know what I'd do if I  
If I'd survive  
My brothers and my sisters  
In my life  
Yeah

I know some people that would die for me  
We ride together, they're my family  
When I get up they gon' be out with me  
I'll say forever my family  
Family  
I'll say forever my family  
Family  
I'll say forever my family

I know some people that would die for me  
We ride together, they're my family  
When I get up they gon' be out with me  
I'll say forever my family
