

Smooth

The Chainsmokers

Ooh

I

Ooh

I let the bottle talk again
Said something stupid 'bout the other night
Yeah, now you're dancing with your friend
I guess tonight I'm working overtime

Why's it so hard for you to get close to me right now?
I guess I'm not as smooth as I used to be

Ooh

Ooh

I guess I'm not as smooth as I used to be

Ooh

I

Ooh

Ooh

I

Ooh

I guess I'm not as smooth
I guess I'm not as smooth as I used to be

Darling, won't you please kill my jealousy?
Come on back to me when the night is done
Apologies are free but you know it's me
Don't I always freeze when it's time for one?

Why's it so hard for you to get close to me right now?
I guess I'm not as smooth as I used to be

Smooth

I guess I'm not as smooth as I used to be

I guess I'm not as smooth
As I used to be
I guess I'm not as smooth as I used to be
