

Less Than Human

The Chameleons

Must have died a thousand times
Must have died a thousand times
Must have died a thousand times
Feeling less than human
I surmise

I'm less than human in God's eyes

Time he's on our side she said
Time he's on our side she said
Time he's on our side she said,
But it makes no difference in the end
He's coming after you my friend

I must have cried a thousand times
I must have cried a thousand times
I must have cried a thousand times
Feeling less than human
I surmise
I'm less than human in God's eyes
