

# You Can Talk to Me

The Charlatans

You can go anyhow  
I'm not too young to know  
I can talk anyway  
Who cares what they say  
I don't know what  
What all the fuss is all about

I know you as I do  
And you mean what you say  
You can go anytime  
It might pass us by

I don't know what  
I don't know what  
What all the fuss is all about  
You can you can talk to me  
You can you can talk to me

Keep the butchers away  
There's no sweat today  
I can listen to all  
That bothers you now

I don't know what  
I don't know what  
What all the fuss is all about  
You can you can talk to me  
You can you can talk to me

You can go anyhow  
I'm not too young to know  
I suppose you're alright  
Who cares for you now

I don't know what  
What all the fuss is all about  
You can you can talk to me  
You can you can talk to me

You can talk to me  
You can talk to me  
You can talk  
You can talk  
You can talk  
You can talk  
You can talk to me

You can you can talk to me
